From Tony Award®-winning director **Bartlett Sher**  
and Academy® and Emmy® Award-winning writer **Aaron Sorkin**, comes  
**Lerner & Loewe's CAMELOT** — a fresh take on the classic tale.

Featuring a book by Sorkin, based on the original book by **Alan Jay Lerner**,  
**CAMELOT** is a timely story about the quest for democracy, striving for justice,  
and the tragic struggle between passion and aspiration, between lovers and kingdoms.  
This legendary musical features the beloved **Lerner & Loewe** score with songs such as  
“If Ever I Would Leave You,” “The Lusty Month of May” and the title song “Camelot.”
